

# **DITTO FAMILY RESALE**

## **SHARING THE BLESSINGS**

---

Inspired by Hebrews 13:16, sharing a portion of earnings with our educational community has long been a desire of Ditto and its school leaders. **We formalized the intent this year, creating the "Ditto Education Grant" (DEG) program.** Open to all eligible St. Louis City and County schools, we allocated \$6,500 for the 2022-2023 cycle, with individual awards of \$500 to \$2,000 to support educational projects and programming. Our four DEG recipients represent schools throughout the St. Louis region.
