

Valuation Guide for Ditto Donors

Clothing, Shoes & Accessories

Thank you for your donation to Ditto! To claim this as a charitable deduction, the IRS requires you to itemize and value your items. It's easy to get started - just follow this two-step process:

1. **Refer to the following *Valuation Guide for Ditto Donors* when assigning a value to your donation.** This guide lists the estimated tax-deductible values of items we most commonly sell at Ditto. The list is for tax itemization purposes only and assumes donated items are in good used condition, or better.
2. **Itemize and record these values on your *Ditto Donation Receipt*.** We offer this receipt each time you donate as confirmation of your contribution. Ensure it is dated and signed by a Ditto representative. Please note, Ditto does not retain a copy of this receipt.
